Subject: Next Ringwood Mines CAG Meeting

Good Morning,

I received an email from the CAG asking me to notify you about the time and place for the next Ringwood CAG meeting. It looks pretty definite for Thursday, July 13 at 6:30pm at the Ringwood Library, located at 30 Cannici Dr. in Ringwood. The email below is what I sent back to the CAG yesterday explaining that while I can notify you, EPA certainly cannot guarantee your presence. Please don't hesitate to respond to them directly.

Thanks,

Pat

Hi All,

I will reach out to EPA, DEP, ATSDR, Ford and the Borough to make them aware of the date and location of the meeting on July 13. I will let them know that the CAG would like them to attend, but EPA cannot guarantee their presence (except for EPA of course.) Do you plan to send out an agenda before the meeting? That would be very helpful so EPA can prepare accordingly.

Thanks

Pat
